

CHADDY MISSION SCHOOL

NAKURU

KENYA

Jambo,

Hope this email finds you safe and sound.

We at Chaddy Mission School are well and pushing on despite the Covid 19. It has been a tough year globally, but we are determined to make it against all odds.

Chaddy Mission School is really excited to partner with you.

Chaddy Mission School was established to meet the needs of the less fortunate in the community. It is located in an area where many are underprivileged. There are quite number of programs that we run. Among them are:

-Basic education

-Feeding programme

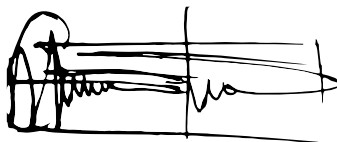

Our programme depends on well-wishers and volunteers for it to run swiftly. African Adventures has been our support system for quite number of years. Through the programme they run we have been able to host many volunteers, who have really been of help to us. Their donations have enabled us to meet quite a number of needs at school.

We are looking forward to making you part of our daily routine. We are hoping this partnership will enable us all round and experience tremendous growth.

Our students are looking forward to this partnership. It is just the beginning of a great journey together.

In Kenya we say Asante Sana (Thank you very much).

Regards,

Geoffrey Mbugua

Director, Chaddy Mission School
