Dear Mr Geoffrey Mbugua,

‘Asanta Sana’ for your welcome letter earlier this week. Firstly, one of our year 8 classes has written a welcome message to you.

“Dear Mr Geoffrey Mbugua ,

We are 8G from Kingsbury High School and we are writing to you to tell you how we are looking forward to working with your school , Chaddy Mission School . We are all 12 - 13 year olds and we are all very happy and excited to be working with your school because we love helping and we can't wait to do anything to help . When we got the news of helping you we were really happy that we got to help and we would do anything because helping others is really nice because you never know what a person is going through. We want to help so that everyone gets an education. Kingsbury High School is a large two-site high school in Kingsbury, London, England. We have a lower school where years 7 ,8 and 9 go and the upper school where years 10, 11, 12 and 13 go .Us 8G ,we enjoy going to school but the lockdown gave us a bit of a worry because we don't know when we are going to start school again.

Yours Sincerely, 8G”

My role is Stage Leader for our 12-14 year old pupils and I am very grateful for the opportunity to be partnered with your school. I look forward to hearing the ideas from our students on how we can build and develop this partnership and how we can help both schools grow during these difficult times. We have started our pen pal experience and I am happy to say that we will have letters for all of your classes and staff by the end of this week.

Here's to many happy memories working together.

Kind Regards,

Gary Froy

Foundation Stage Leader, Kingsbury High School
