Schools coronavirus (COVID-19) operational guidance

February 2021

Where pupils in year 7 (which would be children who were aged 11 on 31 August 2020) and above are educated, we recommend that face coverings should be worn by adults and pupils when moving around the premises, outside of classrooms, such as in corridors and communal areas where social distancing cannot easily be maintained. Face coverings do not need to be worn by pupils when outdoors on the premises.

In addition, we now also recommend in those schools, that face coverings should be worn in classrooms or during activities unless social distancing can be maintained. This does not apply in situations where wearing a face covering would impact on the ability to take part in exercise or strenuous activity, for example in PE lessons.

We are taking this additional precautionary measure for a limited time during this high coronavirus (COVID-19) prevalence in the community. These measure will be in place until Easter... we will keep it under review and update guidance at that point.

Face coverings...

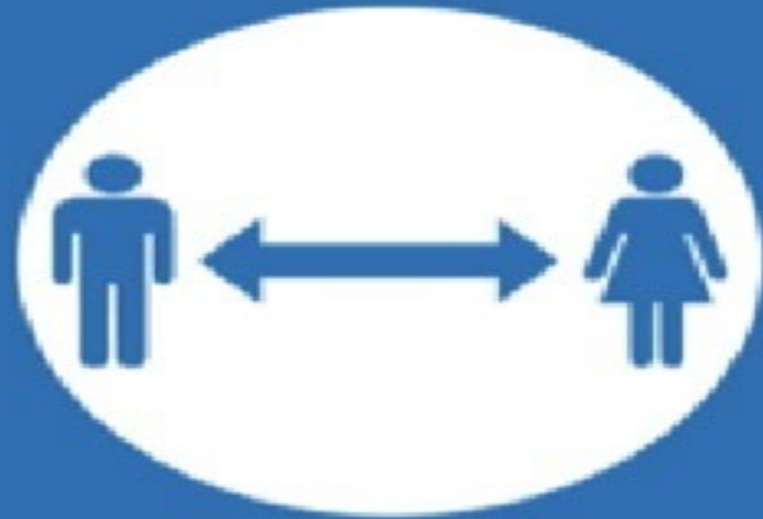

STAFF and PUPILS
unless exempt

should wear

FACE COVERINGS

- ✓ when entering
- ✓ when moving round the building
- ✓ in corridors
- ✓ in all communal areas
- ✓ on school transport
