SKILLS	To differentiate between myth and reality when it comes to crime and to recognise that common representations may be misleading and inaccurate. To understand the importance of changing public perceptions of crime.	To use and assess a variety of methods used by agencies to raise awareness of crime so that it can be tackled effectively. To plan a campaign for change in relation to crime; for example to raise awareness, change attitudes or change reporting behaviour.	To apply the theories to a specific crime or criminal in order to understand both the behaviour and the theory.	To evaluate some criminological theories and know there are debates within the different theories.	To understand how changes in criminological theory have influenced policy.	To review criminal cases, evaluating the evidence in the cases to determine whether the verdict is safe and just.
ASSESSMENT	In class practice	Test	Controlled Assessment	Test	External Examination	In class practice
