

The 16 to 19 tuition fund 2021 to 2022 academic year

KINGSBURY HIGH SCHOOL SIXTH FORM STATEMENT ON HOW WE INTEND TO USE THE FUND TO SUPPORT DISADVANTAGED STUDENTS

GOVERNMENT GUIDANCE

The 16 to 19 Tuition Fund was first provided for the 2020 to 2021 academic year and is being extended beyond 2021 to 2022 for a further two years into the 2023 to 2024 academic year. Although the actual tuition does not need to be for GCSE English or maths, it's only for students who:

- have not achieved a grade 4 or 5 in English and/or maths
- have a grade 4 or above in English and/or maths, are from an economically disadvantaged background and would need catch-up support
- these are defined as students from the 27% most economically deprived areas of the country based on the Index of Multiple Deprivation

All supported students must be on a 16 to 19 study programme and have had their learning disrupted by the coronavirus (COVID-19) pandemic. We need to consider the needs of students with special educational needs and disabilities (SEND), particularly where students experienced additional disruption.

AMOUNT FOR KINGSBURY HIGH SCHOOL POST 16 PROVISION

Kingsbury High School is eligible to receive £17,059 from this fund for small group tuition. We have carried over £3,800 from 2020-21. For this year we have identified a larger cohort in need throughout 2021-22. Total of £20,859

TARGET GROUPS

- GCSE English retake students with grade 3 or less
- GCSE Maths retake students with grade 3 or less
- Disadvantaged students identified with challenges and gaps due to extended school closure

IMPACT of 2021-22 PROGRAMME

Impact of 2020/21 16-19 Tuition Fund GCSE Maths <i>1-2-1 tuition</i>	Impact of 2020/21 16-19 Tuition Fund GCSE English Language <i>Small group tuition (less than 5)</i>
15 students with Grade 3 or below September 2020 8 students gained grade 4 or above by August 2021	10 students with grade 3 or below September 2020 9 students gained 4 or above by January 2021 1 student gained 4 or above by August 2021
53% success rate	100% success rate
