

We believe there are many ways of delivering effective lessons at Kingsbury High School

Most important is that our students love learning and make progress.

## Effective lessons at Kingsbury High include:

- Assessment for Learning
- Behaviour meeting the highest expectations
- Challenging teaching
- Differentiation
- Engaged and motivated students

# The School Development Plan 2013-15

## Leadership

- Develop outward facing leadership and management
- Develop staff for school improvement

## Teaching

- Raise standards of literacy
- Develop up-to-date progress profiles of students

## Student development

- Enable student leadership to permeate the fabric of the school and community
- Increase parental engagement

## Achievement

- Enable our students to make the greatest possible progress by age 16
- Ensure that those who are behind the rate of expected progress at the end of Year 8 get back on track in Year 9.
