

January 2019

Year 8 into 9 Options Fair

Tuesday 5th February 2019 5pm – 7pm Lower School

'Moving from the Foundation Stage'

Dear Parent/Carer,

I am writing to invite you to the **Year 8 into 9 Options Fair** taking place between 5.00pm and 7.00pm in the Lower School.

The evening is for parents and students and it is extremely important that you **all** attend. It is at this event that the process for choosing Options for year 9 will be fully explained. There will be a short presentation given at **5.15pm** and then repeated at **5.45pm**.

You will also have the opportunity to see subject specialists for each of the Option choices that will be available to your son/daughter. This will help you decide on which Options to choose.

Attached with this letter is the Option Choices booklet, which guides you through the process. Please ensure that this is looked at by you all together. The deadline for completing the Options Process will be Tuesday the 26th of February.

On arrival, please head to Tylers Hall foyer, Parking is available on the Lower school playground. Please use the Stag Lane entrance.

Please save the 5th of February into your diary, and I look forward to seeing you then.

Yours faithfully

Gary Froy & Chris Gibson
Foundation and Examination (Lower) Stage Leader
