7th June 2019

Dear Parents and Carers

Welcome

This is the end of my first week as Headteacher at Kingsbury High School. It is a great privilege to have been offered this role and I am looking forward to working with the whole Kingsbury community. I have already spoken to all of the year groups in assembly and met the staff body.

Over the next few weeks and months there will be opportunities to meet parents face-to-face, for instance, if you are a parent or carer in year 9, I look forward to seeing you at the Parents' Evening next week. I am keen to hear about the many good things you value about the school as well as those areas where we can do even better.

In the short time I have been at Kingsbury High School I have already experienced some of its many strengths (including how welcoming and friendly students and staff have been). I really enjoyed the Year 9 HPQ evening where students displayed and presented their work on a variety of topics. Our Year 12 Young Enterprise group were also runners up in the London region final on Monday. There will be more information about these and other achievements in our next newsletter.

The school needs your support to be successful. Students learn best when the home/school partnership works well. I wish to thank you for all that you do to help your child/ward and hope that you continue to support the school in the next few years.

May I also take this opportunity to say Eid Mubarak to any of our Kingsbury families who have been celebrating the end of Ramadan this week.

Yours sincerely,

Alex Thomas
Headteacher
