6 March 2020

Dear Parent/Carer,

Excel Day 12th March 2020 – Kingsbury Guarantee

For the Excel Day on Thursday 12th of March, we had planned to take Year 7s on their second Kingsbury Guarantee experience into Central London.

We have decided to postpone going into Central London. This decision was not taken lightly, but we felt the exposure to large numbers of other people in extremely busy places would be a risk in the current climate.

Instead students will **remain in school**, and we have brought forward the 'Send my friend to school' Excel day, which had originally been planned for July.

Yours sincerely,

Sarah Purtil
Head of Student Development Faculty
