Jealousy in Shakespeare's Othello 13x/En1

Description Results **Submit**

Mr J. Sinclair set this assignment for group 13x/En1 - English

Set on Wed 18 Mar Due on Wed 25 Mar

Task description

"Iago:
O, beware, my lord, of jealousy;
It is the green-ey'd monster, which doth mock
The meat it feeds on"

Jealousy in Othello

Iago first suggests the idea of jealousy to Othello in Act 3, Scene iii. From there, jealousy concentrates Othello's mind so completely on one idea - the idea that Desdemona has betrayed him with Cassio - that he can entertain no other assurance or explanation. This obsession totally removes Othello's ability to reason, his common sense, and his respect for justice. It is only once he has killed Desdemona and realises that she was innocent that he recovers.

Write an essay that investigates and discusses Othello's jealousy and Iago's role in this. How does Othello's character change when he is overcome with jealousy?

Please submit your homework online.

Other information

- This homework will take approximately 1 hours
- Mr J. Sinclair would like you to hand in this homework online via Show My Homework

Resources to help you

1. What is Othello about.docx

To submit your answers follow these steps:

1. Go to *Submit*
2. Type a message for your teacher or even your full answer.
3. Attach any files you need to, for example documents, pictures or presentations. You can choose files from your computer, Google Drive or Dropbox.
4. Click *Submit assignment to teacher* to send it to your teacher of your submission.

If you need to, you can submit more pieces. You can also save your progress as a draft at any time and come back to finish the task later.
